

~ Twenty-Fourteen Wrap Up Edition ~  
January 2015

**Dear Friends and Supporters,**

On Behalf of **Next Move**, I would like to thank each of you for the support you have given our organization this past holiday season. Our Hope for the Holidays project was successful because you and others who share the same passion for community giving, took the time to make a difference.

Our holiday project success is measured by the joy that comes to the families, children and disabled seniors, and older adults when they are touched by the community support and generous giving of your time, talent and treasure received during the holidays. Thank you for caring, for making a difference one family, one child, one person at a time.

In 2015, **Next Move** will complete the expansion of our Family Shelter Campus project increasing our capacity to 80 beds, as well as launching a rapid re-housing and permanent supportive housing project to serve an additional 300+ households, including families, veterans and seniors. Through your continued support, you can be a part of bringing hope beyond shelter to those ready to make the next move toward reclaiming their lives.

Thank you for supporting **Next Move**. May the New Year bring you peace, joy and happiness!

Marilyn Mann, **Next Move**  
Director of Community Partnerships

**Goodwill** | Sacramento Valley & Northern Nevada

As we announced previously, Next Move's President and CEO, Carolyn Brodt recently partnered with President and CEO, Joseph Mendez of Goodwill Industries, Sacramento Valley & Northern Nevada, to bring employment opportunities and housing solutions together. This partnership will expand and create new opportunities for individuals and families to reach greater self-reliance and housing stability. As such and to complement our fundraising campaign, from November 15th through December 31st, Goodwill Industries, Sacramento Valley & Northern Nevada, took on the challenge to match all monetary donations made to Next Move to support Next Move programs and services! In total, our partners at Goodwill matched over \$21,000.00 in holiday contributions, bringing our total holiday monetary contributions to over \$42,000.00. AMAZING!!!!

And on another AMAZING note of community partnering, Next Move is grateful for our long term partners in planning and support to make the Family Shelter Campus Expansion a reality.

Together with a generous donation of \$50,000.00 from the Lennar Charitable Housing Foundation in collaboration with the Building Industry Association and in partnership with HomeAid Sacramento & USA Properties Funds, Next Move's quest to expand the Family Shelter Campus is becoming a reality. The commitment demonstrated by our partners to make this project happen only echos the notion that people care and people who care do something... something profound,

A gift of just \$15.00 will provide a child residing in our Family Shelter a pillow and a warm blanket they can call their own.
