

Moving homeless families and individuals to high levels of self-reliance.

Here's What's Happening

Meet Carlyle

Carlyle is a native New Yorker and avid Yankees fan. When he moved to Sacramento from the east coast he came to Francis House Center looking for help finding employment.

With the assistance of our AARP staff he used the Job Development Center at Francis House to find a job and ultimately, help him keep his home.

Congratulations Carlyle!

Thank you St. Francis Catholic High School. These young ladies come to the Next Move Family Shelter twice a week to tutor the children.

However, their presence has done more than help the children with their grades; they have given the children a safe space to learn, build skills, raise confidence, and create healthy mentorships.

**More
information**

Next Move continues to be the only organization in the greater Sacramento region that provides emergency shelter for families and keeps families together in the privacy of their own rooms.

In 2017 alone, Next Move residents and guests received:

- 2,487 counseling sessions to ease the stress of homelessness
- 3,480 days in daycare to look for housing
- 2,431 rides to apartments or rental homes to meet landlords or sign leases
- over \$327,899 in donated clothing or household items

And we raised over \$35,000 in our year end appeal!

We could not have done this without the generosity of our supporters and donors. Thank you for all you have done to help the most vulnerable in our community.
